## The SoBo Walkway

The SoBo Walkway proceeds will assist in providing funding support for the School Health Service Programs of the South Beloit Community Unit School District #320.

The services of the School Health Programs are available to all students of the school district and include programs of the School-Based Health Center, the Senior Health Education Scholarship and School Nursing Programs.

The Health Service Programs are led by the Health Advisory Committee which works to promote a partnership between parents, school and community.
